

NEW PERSONAL USER ID AND PASSWORD INFORMATION

On the QIES Technical Support opening page (www.gtso.com) scroll down to “Notice: Conversion to Personal IDs”. This will give you the instructions for converting to your personal login ID and password. Also on the right hand side there is a box that contains the MDS Personal Login ID Maintenance Forms.

Below are the direct links to the Personal Login ID and Password information.

Converting to Personal Login ID and password instructions:

https://www.gtso.com/download/Conversion_Personal_Login_IDs.pdf

Change User Account Request (removing a user and adding a replacement):

https://www.gtso.com/download/Change_Account_Request.doc

Requesting more than 2 users to have access:

https://www.gtso.com/download/Additional_Account_Request.doc

Requesting an agent (a person other than an employee of the provider) to have access:

https://www.gtso.com/download/Agent_Account_Request.doc

If a user has forgotten his or her personal password or has not logged on in the past 90 days, he or she will need to go to the QIES User Maintenance login at:

<https://32.80.199.201/UserMaint/secuser/login.jsp> and get his or her password reset.
