QIPMO (Quality Improvement Program for Missouri) is a cooperative research-based program with the Sinclair School of Nursing of the University of Missouri and the Department of Health and Senior Services. Our mission is to provide on-site consultation to nursing homes for all care-related needs and issues. This unique, state-specific program has been in existence since 1999 and services are *free* and *confidential*. Please visit our web site www.nursinghomehelp.org for more information! Regional MDS support group meetings are just one of the free services we provide. The groups meet monthly or bimonthly to discuss issues related to MDS, PPS and the RAI Process and to learn from and support one another. Resources are shared, including updates from CMS. *If you have questions, please contact our facilitator, Sharon Thomas at (573) 808-6764. We hope to see you there!*
