

RAI/MDS COORDINATORS' SUPPORT GROUP MEETING

September 14, 2010

9 - 11 AM

LAKE REGIONAL MEDICAL CENTER

Highway 54

Osage Beach, MO 65065

(573) 348-8275

TOPIC: MDS 3.0 - RUGs IV; PPS ASSESSMENTS

Please note the subject change. This is critical information. We will also review section F and K coding. Remember there will be an extra Region 6 meeting on Monday, September 20 from 1-3 at Laurie Care Center. We will decide what is to be covered at the September 14 meeting.

PLEASE JOIN US AT THIS IMPORTANT MEETING!

QIPMO (Quality Improvement Program for Missouri) is a cooperative research-based program with the Sinclair School of Nursing of the University of Missouri and the Department of Health and Senior Services. Our mission is to provide on-site consultation to nursing homes for all care-related needs and issues. This unique, state-specific program has been in existence since 1999 and services are *free* and *confidential*. Please visit our web site www.nursinghomehelp.org for more information! Regional MDS support group meetings are just one of the free services we provide. The groups meet monthly or bimonthly to discuss issues related to MDS, PPS and the RAI Process and to learn from and support one another. Resources are shared, including updates from CMS. *If you have questions, please contact our facilitator, Sharon Thomas at (573) 808-6764. We hope to see you there!*

NEXT MEETING:

OCTOBER 12, 2010 AT LAKE REGIONAL IN OSAGE BEACH

THE TOPIC OF DISCUSSION WILL BE: MDS 3.0 - DISCHARGE PLANNING: CODING SECTION Q AND THE DISCHARGE CAA (SOCIAL SERVICE MAY WANT TO ATTEND ALONG WITH THE MDS COORDINATOR)

DIRECTIONS TO LAKE REGIONAL: The hospital is located on Osage Beach Highway 54 behind the big water tower on the lake side. Turn in at the stop light where Casey's and Culver's are located. We are meeting in Lab C1 on the 2nd floor. Enter through the main entrance (glass tower) and proceed straight past the coffee shop. Take the elevator to the 2nd floor. Go straight through the SNF unit. Turn right at the double doors, take another right and see Lab C1 on your left. Please call the nurses' station if you have questions that morning. 573-348-8275.
